

**CURRICULUM VITAE**  
**Naeeme Taslimi Taleghani, MD**

Associate Professor of Neonatology

**Date of last revision: September 04,2023**

**Address:** Shahid Beheshti University of Medical Sciences, Tehran, Iran

**Tel:** +98-912-6856918

**Email:**

naeemetaslimi@yahoo.com

naeemetaslimi@sbmu.ac.ir

naeemetaslimi@Gmail.com

***Personal Information:***

**Family name:** Taslimi Taleghani

**First name:** Naeeme

**Date of Birth:** March, 21, 1982

**City of Birth:** Tehran

**Marital Status:** married

**Nationality:** Iranian

**Title:** Doctor

***Education:***

**2001january-2008 september : General Medicine, Iran University of Medical Sciences**

**2008 september-2011 september:Specialty, Shahid Beheshti University of Medical Sciences**

**2012september-2014september:Fellowship:Shahid Beheshti University of Medical Sciences**

**Researches:**

- 1) **2009-2010 *accepted proposal and research is finished*** : prevalence of subclinical hepatitis in 1-15 years old children in mofid children hospital. Pediatric Infectious diseases research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs.
- 2) **2012-2014 *accepted proposal and research is finished*** : Assess the outcomes of VLBW neonate with RDS , treated with different respiratory support strategies at Mahdie NICU hospital . Neonatal health research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs.
- 3) **2012-2014 *accepted proposal and research is finished*** :N.CPAP versus N.IMV in initial respiratory support of VLBW neonates with RDS. Neonatal health research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs.
- 4) **2015-2020 *Accepted proposal and research is finished***:2 years follow up in NICU graduates of Mahdie Hospital. Neonatal health research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs.
- 5) **2018-2019 *Accepted proposal and research is finished***: Comparison of paracetamol and ibuprofen effect on hyperbilirubinemia in PDA preterm neonates in Mahdieh Hospital , shaheed Beheshti University of medical sciences and health affairs.
- 6) **2019- 2020- *Accepted proposal and research is finished*** Investigating the diagnostic success rate of the National Congenital hypothyroidism Screening Program and its determinants in premature infants covered by health centers of Shahid Beheshti University of Medical Sciences. Neonatal health research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs.

- 7) **2018- 2020- Accepted proposal and research is finished** :The effect of massage therapy with and without oil on weight gain and triglyceride level of premature babies in Taleghani hospital , shaheed Beheshti University of medical sciences and health affairs.
- 8) **2018-2020-accepted proposal and research is finished:** Examining the results of eye examinations of babies with mothers addicted to all kinds of narcotics and stimulants, including opium, heroin, crystal, crack, hashish, amphetamine, methamphetamine, and several drugs, in Mahdia Hospital from April 1394 to March, shaheed Beheshti University of medical sciences and health affairs.
- 9) **2018 -2022- Accepted proposal and research is finished:** Investigating the relationship between retinopathy of prematurity and thrombocytopenia in premature babies in Mahdia Hospital, shaheed Beheshti University of medical sciences and health affairs.
- 10) **2019- 2020- accepted proposal and research is finished:** Investigating the effect of administration of fresh frozen plasma (FFP) during the first three days of birth on the primary outcomes of premature infants with low birth weight (ELBW), shaheed Beheshti University of medical sciences and health affairs.
- 11) **2020-2020 - accepted proposal and research is finished:** Examining the results of retinopathy of prematurity screening in premature babies born between 32 and 36 weeks,shaheed Beheshti University of medical sciences and health affairs.
- 12) **2019- 2022- accepted proposal and research is finished:** Determining the developmental Z SCORE of preterm infants referred to the neonatal clinic of Mahdieh and Mofid hospitals after discharge, shaheed Beheshti University of medical sciences and health affairs
- 13) **2019-2022 Accepted proposal and research is finished:** Investigating the incidence of premature births at the time of 2018 and 2019 in Mahdieh Hospital (corona pandemic period), shaheed Beheshti University of medical sciences and health affairs
- 14) **2021-2022-accepted proposal and research is finished:** Comparing the effectiveness of pharmacological and non-pharmacological methods in reducing the pain of retinopathy of prematurity examination, shaheed Beheshti University of medical sciences and health affairs
- 15) **2019- Now :accepted proposal and research is implementing:** Launching a registration system for babies born with very low birth weight (VLBW)

- 16) **2019- Now :accepted proposal and research is implementing:** Launching neonatal thrombus registration system in hospitals affiliated to Shahid Beheshti University of Medical Sciences
- 17) **2019- Now :accepted proposal and research is implementing:** Launching a registration system for patients with bronchopulmonary dysplasia in affiliated hospitals of Shahid Beheshti University of Medical Sciences
- 18) **2020- Now: accepted proposal and research is implementing:**Investigating the early prognosis of babies born to mothers with PROM and PPRM and the early prognosis of their mothers in Mahdieh Hospital, Tehran, shaheed Beheshti University of medical sciences and health affairs.
- 19) **2018- Now: accepted proposal and research is implementing:**Comparison of two methods of respiratory support, the use of high end-expiratory positive pressure versus low end-expiratory positive pressure in infants who need respiratory support, at two different time points shaheed Beheshti University of medical sciences and health affairs.
- 20) **2019- Now: accepted proposal and research is implementing :**The relationship between oral and pharyngeal administration of breast milk and early outcomes in premature babies with a birth weight of less than 1500 grams in Mahdieh Hospital in a period of 6 months, shaheed Beheshti University of medical sciences and health affairs.
- 21) **2020- Now: accepted proposal and research is implementing :**Comparison of neonatal outcomes in infants born to mothers with gestational diabetes treated with metformin and infants of mothers treated with insulin in Mahdia Hospital in 2019, shaheed Beheshti University of medical sciences and health affairs.
- 22) **2020- Now: accepted proposal and research is implementing:** Examining skin bilirubin nemogram of newborns born in Mahdia hospital and comparing it with common international nemograms from February 2018 to 2019, shaheed Beheshti University of medical sciences and health affairs.
- 23) **2022 Now: accepted proposal and research is implementing:** Investigating the effect of early administration of oral probiotics on feeding intolerance, time to reach birth weight and its secondary outcomes in very low birth weight infants, shaheed Beheshti University of medical sciences and health affairs.

24) **2023- Now: accepted proposal and research is implementing:** Study of cases of newborns with pericardial effusion secondary to central venous catheter in newborns in Mahdia Hospital, shaheed Beheshti University of medical sciences and health affairs.

25) **2022- Now: accepted proposal and research is implementing:** Comparison of the effect of Nasal high frequency oscillatory ventilation with Nasal SIMV in infants requiring non-invasive mechanical ventilation in Mufaid Children's Hospital, shaheed Beheshti University of medical sciences and health affairs.

### ***Training Courses:***

2021 September | Webinar , **Informed Consent and Confidentiality Workshop**, Vice Chancellor of Research and Technology of the University of Iran

2021 September | Webinar .**General principles of quantitative research method Workshop**, Vice President of Research and Technology of Iran University of Medical Sciences

2021 August , **General ethics in research Workshop** , Vice Chancellor of Research and Technology of the University of Iran

2021 August 23 | Webinar, **Ethical considerations in publishing data results Workshop** , Vice President of Research and Technology of Iran University of Medical Sciences

2021 August 23 | Webinar , **Monday Intellectual property of data Workshop** , Vice President of Research and Technology of Iran University of Medical Sciences

2021 June 22 | Webinar , **Clinical education standards Workshop**, Shahrekord University of Medical science

2020 November | Webinar **“35th International Conference on Advanced Pediatrics and Neonatology”**

2019 June , **Newborn resuscitation coaching workshop**,Kerman University of medical science

2018(Tuesday 04 December)**Author Workshop - Introduction to Scholarly Publishing** at Shahid Beheshti University of Medical Sciences,Presented by Ozge Sertdemir, Customer Consultant,Tehran-Iran

2018(may, 15 )**Introduction to Scientometric Indicators**, central Library,, Shaheed Beheshti University of Medical Sciences & Health Services,Mofid hospital,tehran,Iran

**2018(September ,20)dr kabiri, Introduction to Scientometric Indicators**

2018(November 21) Workshop on **Key Feature Problem** , Educational Development Office (EDO),  
**Shaheed Beheshti University of Medical Sciences & Health Services** , Tehran-Iran.

2017(Janouvery,11),**Workshop on Multiple Choice Question** , Educational Development Office (EDO),  
Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

2017(February, 6) Workshop on **communication skill**, Educational Development Office (EDO), Shaheed  
Beheshti University of Medical Sciences & Health Services , Tehran-Iran

2016(December ,27) ,Workshop on **Evidence Based Medicine** , Educational Development Office (EDO),  
Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

2016(September,26),**Workshop on communication skill**, Educational Development Office (EDO),  
Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

2016(may ,31) 2017,Workshop on **Preceptor ship** , Educational Development Office (EDO), Shaheed  
Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

2016 (MAay 8), Workshop on **Evidenced based medicine**(empowerment of teachers) , Educational  
Development Office (EDO), Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-  
Iran

2016 (August,29), **Professional Knowledge Network**, research development center, Shaheed Beheshti  
University of Medical Sciences & Health Services ,Tehran-Iran .

2016(March,8),**Workshop for Blood and blood component handling and hem vigilance system for  
physicians**,Iranian Blood Transfusion Organization, Tehran-Iran.

2016( January, 5), **Workshop on refreshing lecturing(empowerment of teachers)** , Educational  
Development Center (EDC), Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-  
Iran.

2015 (February ,15), **Workshop on Introduction to PLAGIARISM**,research development center,  
Shaheed Beheshti University of Medical Sciences & Health Services ,Tehran-Iran .

2009( May, 12), **Workshop on breast feeding**, mofid children hospital, Shaheed Beheshti  
University of Medical Sciences & Health Services , Tehran-Iran.

2008( October ,18), **Workshop on neonatal CPR,Clinical skill center of medical college**, Shaheed  
Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

## ***Personal Skills:***

### **Language:**

Persian (Native)

English (Speak, Read and Write)

### **Computer:**

Familiar with Win 7, Word 2013, Excel 2013, Powerpoint 2013, SPSS 16.

### **Research:**

Ability of searching articles, sampling, writing proposals and papers and some experiences in analyzing data.

## ***Professional Experiences:***

**2014 till now-*A member of pediatric faculty of Shaheed Beheshti university of medical sciences and health services (present)*** at Mahdie hospital (assistant professor of neonatology), Tehran-Iran.

**2014 till now-*Reviewer of Pajuhan System, research development center***, Shaheed Beheshti University of Medical Sciences & Health Services, Tehran-Iran .

**2015 till now-*Associate Editor of Archives of Pediatric Infectious Diseases***, Pediatric Infections Research Centre. Shaheed Beheshti University of Medical sciences and health Affairs.

**2015 till now- *Responsible of haemovigilance committee in the perinatal & child issues, mahdie hospital*** , Pediatric Infections Research Centre. Shaheed Beheshti University of Medical sciences and health Affairs.

**2016 till 2018- *Responsible of medical student 's education in pediatric ward as Perceptor (IMAM HOSSEIN HOSPITAL)*** shaheed beheshti university of medical sciences and health Services ,Tehran-Iran

**2016 till 2018- *A member of Evidence Base Medicine group***, Educational Development Center (EDC), Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

**2017-till now** -Educational vice-chancellor of the Neonatal Department of Mahdia Hospital, shaheed beheshti university of medical sciences and health Services ,Tehran-Iran

**2018 till now**-The secretary of the neonatal and children under 5 years of age mortality committee at Mahdia Hospital, shaheed beheshti university of medical sciences and health Services ,Tehran-Iran

**2020 till now**-Scientific secretary of Journal Club, member of virtual education committee, Association of Iranian Neonatal Doctors

**2022-till now**- Secretary of the Neonatal Resuscitation Committee of Mahdia Hospital, shaheed beheshti university of medical sciences and health Services ,Tehran-Iran

**2023- tiil now**-Member of the Evaluation Committee of the Faculty of Medicine

### **Academic success:**

**-Top rank degree among medical science graduates of the Iran University of Medical Science ,straight entry to undergraduate specialties,1387(2008)**

**-Third rank degree in Pediatrics Board Exam in country ,1390 (September, 2011)**

**-Second rank degree in Entrance Exam of neonatology and perinatology sub-specialty,1390( February, 2012)**

**- Second rank degree in Neonatology &perinatology Board Exam in country 1393(September, 2014)**

### **Educational activity:**

- a. **Naeeme Taslimi TaleghaniMD** ,Neonatal Resuscitation Program(NRP) workshop,Taleghani Hospital, Shahid Beheshti University of medical science (SBMU),September 12-13, 2015.
- b. **Naeeme Taslimi TaleghaniMD** ,Neonatal Resuscitation Program(NRP) workshop , Mahdie Hospital, Shahid Beheshti University of medical science (SBMU), September 27-28, 2015.
- c. **Naeeme Taslimi TaleghaniMD** , **Care of Healthy neonates in hospital** workshop, Mahdie Hospital, Shahid Beheshti University of medical science (SBMU), November 10, 2015
- d. **Naeeme Taslimi TaleghaniMD** ,Neonatal Resuscitation Program(NRP) workshop, Taleghani Hospital, Shahid Beheshti University of medical science (SBMU), December 19, 2015
- e. **Naeeme Taslimi TaleghaniMD** ,special care of newborn in NICU workshop , Mahdie Hospital, Shahid Beheshti University of medical science (SBMU), February 21-22, 2016.

- f. **Naeeme Taslimi TaleghaniMD** ,Neonatal Resuscitation Program(NRP) workshop, Mahdie Hospital, Shahid Beheshti University of medical science (SBMU), August 14-15 , 2016
  - g. **Naeeme Taslimi TaleghaniMD** ,Neonatal Resuscitation Program(NRP) workshop, Mahdie Hospital, Shahid Beheshti University of medical science (SBMU), October 2, 2016
  - h. **Naeeme Taslimi TaleghaniMD** ,Neonatal Resuscitation Program( new NRP) workshop,Imam Hossein Hospital, Shahid Beheshti University of medical science (SBMU), October 6, 2016
  - i. **Naeeme Taslimi TaleghaniMD** ,Neonatal Resuscitation Program( new NRP) workshop,Imam Hossein Hospital, Shahid Beheshti University of medical science (SBMU), November 2, 2017
  - j. **Naeeme Taslimi Taleghani MD** ,Neonatal Resuscitation Program( new NRP) workshop, school of medicin , Shahid Beheshti University of medical science (SBMU), November 2, 2017
  - k. **Naeeme Taslimi Taleghani MD** Scientific secretary of the program to review surfactant administration methods, Association of Iranian Neonatal Doctors, 2021 November 28 , Sunday
  - l. **Naeeme Taslimi TaleghaniMD** Scientific secretary of the program respiratory assistance in infants, Association of Iranian Neonatal Doctors, 2021 January 3 , Sunday
- Naeeme Taslimi TaleghaniMD
- m. **Naeeme Taslimi TaleghaniMD** Scientific secretary of the program Establish blood circulation in neonate, Mahdie Hospital, Shahid Beheshti University of medical science (SBMU) , 2021 January 25 , Monday
  - n. **Naeeme Taslimi Taleghani MD** Scientific secretary of the program Respiratory support and mechanical ventilation, Mahdie Hospital, Shahid Beheshti University of medical science (SBMU), 2021 January 24 , Sunday
  - o. **Naeeme Taslimi Taleghani MD** Scientific secretary of NIDCAP, Mahdie Hospital, Shahid Beheshti University of medical science (SBMU), 2021 January 4 , Monday
